

STRATFORD

As you like it

HAIR GALLERY

MAKEUP

As professional makeup artists and colour analysis consultants, we will ensure through careful consultation and attention to detail that we capture your dreams and desired look, the result being a visual and emotional feast!

HAIR

We will be doing our part to ensure that your hair and makeup design fits smoothly within your overall theme, paying particular attention to colours, dress design, flowers and jewellery.

JEWELLERY

Weddings and formals will be a large component of the "As You Like It" venture. With Marcia's skills in jewellery design she can even create a unique jewelled hair piece for that special occasion.

You're Invited to....
the wedding specialists

Marcia Ebdell-Blanch has twenty years as a stylist in both London and Cairns. She worked with Pinewood Studios, and clients included Johnny Depp, Chloe Sevigny and Ewan McGregor and worked with a number of independent music video producers.

Marcia is an artist herself - not only in hair. She is a painter, milliner, and jewellery maker. She is also a professional makeup artist.

Marcia and her team will focus on creating an individual look for all their beautiful brides to be.
